PRESIDENT'S MESSAGE

By Louise Yenovkian

Dear Friends and Neighbors:

While viewing my calendar, I realized a year of my first presidency had passed. As I look back and reflect, I wonder if accomplishments were made. I would like to take this opportunity to express my gratitude to my board members, county officials, dear friends, neighbors, and my office for their support, efforts, and most of all for each being a sounding board and shoulder to lean on. We have all quietly made a difference to our fine neighborhood. Some changes you may have noticed, some you may not, and some are in a work in progress.

Last year marked the beginning of the County wide Beautification Plan. The efforts of the community, neighbors, and the County Department of Planning have all proven very effective. We will continue this process to make improvements and to beautify our surroundings.

The County Board of Supervisors is in the process of implementing a moratorium on lot splits in Old Fig. The FGHA Board heard your concerns and proceeded with the guidance of the County on this issue.

We are honored this year to have the opportunity to bring our annual meeting back home. The Fig Garden Woman's Club has provided their beautiful club as our setting for our upcoming meeting to be held on Wednesday, March 26 at 7:00. The club is located at 4550 N. Van Ness Boulevard. As in the past, we will have representatives from County Offices, Fire, Sheriff's Department, and Highway Patrol in attendance. This is the setting for homeowners to discuss issues

of concern or present us with new ideas for action. Please invite new homeowners to attend.

If you would like to receive e-alerts that involve law enforcement issues and/or notices of public hearings that pertain to Old Fig, please log on to our website at www.oldfig.org and submit your request. Monthly Board meetings are held at 7 p.m. the second Wednesday of each month at the Wishon Ave. Firehouse.

Fig Garden Homeowners Association would like to thank you for your support. We encourage you and your neighbors to join. Our membership dues are \$60.00 per year. Please mail to FGHA, P.O. Box 5796, Fresno, CA 93755. While your dues are voluntary, the monies are spent on preserving the integrity of our neighborhood, maintaining public policy, producing and mailing newsletters, and maintaining the web site.

To my colleagues on the board – thank you for tolerating my mounds of paper, e-mails, and agenda items. This volunteer board is engaged, dedicated and active. A sincere thank you to each.

Old Fig Garden is not the effort of one, but truly the efforts of all. I have come to realize the true love of this land from various homeowners and neighbors. There is a genuine caring and concern for our historic area and a deeply seeded nurturing quality to preserve. It is apparent in conversations, actions and efforts. We want to leave the next generation with the glory that was left for us.

May this year be productive and peaceful.

FIG GARDEN WOMAN'S CLUB ANTIQUE SHOW AND SALE

Margaret Nordstrom

The Fig Garden Woman's Club will present its Annual Antique Show and Sale of quality antiques and collectibles on Friday, Saturday, and Sunday, March 14, 15, and 16 at the clubhouse at 4550 N. Van Ness Boulevard.

This year we will be presenting our 36th show. There will be a pre-party. All interested Fig Garden Homeowners Association members are invited to the pre-party which will take place on Thursday evening, March 13 before the show from 5:30 p.m. to 8:00 p.m. The donation price of admission is \$15.00 per person or \$12.50 per person for a party of two. Of course the tickets will also get you in the show on Friday, Saturday, and Sunday. The ladies will be serving wine and hors d'oeuvres. Tickets may also be obtained at the door.

Because it is a small charity show, it is popular with both dealers and the public. Antique show times are Friday and Saturday 10:00 a.m. to 6:00 p.m. and Sunday 10:00 a.m. to 4:00 p.m. Donations are \$5.00 for the public showing and are valid for all three days of the show. Tickets may also be obtained at the door.

Proceeds from the event will benefit many local organizations and provide scholarships to nursing students at Fresno City College.

CHRISTMAS TREE LANE

On November 27, 2007, the Fresno county Board of Supervisors adopted a resolution acknowledging the significant role that Christmas Tree Lane has played for over three-quarters of a century by providing a special location where the community has come together to celebrate the holiday season. 2007 marked the 85th anniversary of Christmas Tree Lane. We were featured in Sunset Magazine Travel Postcard section. Many of us take this event for granted since it is in our own backyard. This year we touched the life of a man who is incarcerated in prison. This story is quite unique. Christmas Tree Lane received a \$20.00 check from his prison fund along with his letter. He said he was sending us a donation because his wife had attended one of the walk nights. While on the Lane, she was able to reach him via cell phone. She described the lane to him - the lights, music, people, festivities, and such. He found it so moving that he felt compelled to support our cause. You see – we do make a difference. For a short period of time, we brought this man joy.

This non-profit event is funded solely by the generosity of public donations. The lane is supported by the volunteer efforts and service of Dean Alexander and his committee of Old Fig families. Shawn Caglia and Jordan Hayden are the “santas” responsible for putting up the lights and getting them down. Jan Booth continues to work her magic as does Lauri Stine and her LaneKeepers. Special thanks goes out to Russ Linquist and Terry Cole for their work as well. Work is already in progress for 2008. Christmas Tree Lane continues to be a magical and memorable event throughout our valley and the entire state of California. Mark your calendars for the 2008 walk nights to be held on Tuesday, December 2 & Wednesday, December 10.

OLD FIG GARDEN TREES

Our lovely trees are a big part of the charms of Old Fig Garden. Originally Old Fig was planted with particular trees assigned to certain streets. This added continuity to the street. The streets that still have the majority of their original planting are the most beautiful and the most inviting. Throughout the past years, some trees have died or have been removed. We encourage

residents to help re-establish the street tree planting as it was originally instituted. This will preserve the historic nature of our great neighborhood
